•The PO shall remain on hold until: (i) TriMark and Supplier agree on changes to the PO, in which case Supplier must request and obtain an updated PO from TriMark; or (ii) TriMark authorizes Supplier to proceed under the original PO; or (iii) TriMark notifies Supplier that the PO is cancelled.

•If a shipping delay leads to tariff exposure, TriMark reserves the right to deduct the incremental tariff cost from the invoice total.

•This Purchase Order (PO) is valid only at the pricing listed herein. Supplier's acceptance of this PO constitutes Supplier's confirmation that the PO aligns with Supplier's current pricing, inclusive of all applicable tariffs, duties, import fees, taxes, or other governmental charges. POs may not be changed without prior written approval from TriMark, and deviations from agreed upon pricing due to tariffs or other issues will not be honored unless agreed upon in advance in writing.

•Upon receipt of a PO, Supplier shall review and confirm that the items, quantities, pricing, and ship date are correct. •The PO shall remain on hold until: (i) TriMark and Supplier agree on changes to the PO, in which case Supplier must request and obtain an updated PO from TriMark; or (ii) TriMark authorizes Supplier to proceed under the original PO; or (iii) TriMark notifies Supplier that the PO is cancelled.

•If a shipping delay leads to tariff exposure, TriMark reserves the right to deduct the incremental tariff cost from the invoice total.
